REDWOOD CITY PRESHIPMENT ACCEPTANCE TEST

DISCUSSION ITEMS

I. Not Ready for Formal PSAT

    a. Motivated hardware/software team.

    b. Ampex/Agency joint assessment of software progress/status.

    c. Establish PSAT test ground rules.

II. Test Schedule

    a. Formal testing begins Wednesday, 11-19, through Friday, 11-21, and Sunday, 11-23, through Wednesday, 11-26, with the following schedule:

        i. If initial test operations are successful, testing will be run on the day shift commencing 9 a.m. through completion not later than 7 p.m.

        ii. Dedicated host testing Friday, 11-21, 11 a.m. to 1 p.m.

        iii. Dedicated host testing Sunday, 11-23, 2 p.m. to 7 p.m.

        iv. Dedicated host testing Sunday, 11-23, 11 p.m. to 2 a.m., 11-24.

    b. If regular first shift activity does not yield sufficient test time, we will reschedule tests to second and third shifts as necessary to complete testing during the allocated test period. A schedule for the following day will be established at 4 p.m. each day in conjunction with the customer and ACCC operations personnel.

III. Test Plan/Procedure Agreement

    a. Primary tests - 10-21-75 Plan Twenty(20) Job Streams updated through 11-17-75.

    b. Secondary tests - biggie 1 through biggie 4.
